**Chowly Online Ordering**

**Direct POS Integration**

**POS Menu Sync**

**Smart Pricing**

**Relay Delivery Dispatch System**

## Tap into Relay's Potential with Chowly

### Maximize 3P Delivery Profitability

Leverages Relay's fleet to fulfill orders that originate on 3P versus 3P fleets.

### Seize Your Customer Data

Access names, address, etc. on all 3P customers to build lasting connections.

### Exceptional Courier Experience

Guarantee safe and well compensated courier services with thorough vetting.

#### Cost Reduction

Reduce high commission costs on third-party platforms.

#### Data Access

Access customer data previously unavailable from third-party platforms.

#### Premium Service

Offer premium service with Relay's delivery drivers.

#### Seamless Management

Manage all menus and locations from your POS.

#### Delivery Efficiency

Eliminate tablets, centralizing off-premise delivery operations efficiently.
