Why Chowly with Square?

- **Top-notch Support:** Chowly's dedicated customer support team ensures that you and your clients receive the assistance needed promptly.

- **Unique Third-party Integrations:** Chowly's ability to integrate other TOOS is a game changer. Chowly supports 130+ third-party platforms, including those specific to certain regions, such as Skip the Dishes, Eat Street, Bite Squad, and Fatwan.

- **Restaurant Control Center (RCC):** Simplify your reporting and reconciliation with RCC, providing accurate net dollar figures, ensuring transparency in your financials.

- **Partnership and Referrals:** Our internal referral system ensures prompt acknowledgment and facilitates smooth lead-sharing between Square and Chowly.

- **Training and Support:** Our team provides training sessions to alleviate challenges, enhance efficiency, and boost revenue.
