CHOWLY™ Platform + ▫ Square

One Tool for Everything Outside the 4 Walls.

The Chowly Platform Overview

- ✓ Combines 10+ essential tools into a single, streamlined solution.
- ✓ Get more orders, save time, and simplify your business.
- ✓ #1 problem operators told us: converting 3rd party orders into 1st party.

Native Square Integrations

Core Features:

Square Payments, Square Promo Codes, Square Loyalty, and Square Gift Cards seamlessly integrated.

Why It Matters:

- Enhances Square's value and customer stickiness.
- Drives loyalty and gift card adoption, increasing monetization.
- 100% of customers retained or added Square Loyalty post-launch.

Square Payments:

- 1-click integration.
- Refund 1st Party and Mobile App orders directly from POS.

Square Loyalty:

- No worries about transferring points to another provider.
- Start off simple or master sophisticated strategies right from the POS.
- Earn/Redeem in store and via every direct channel.

Square Gift Cards:

- Most under-used feature at Square.
- Integrated into the Chowly Website Builder and 1st Party Online Ordering.

WHY the Chowly Platform

- ✓ Built for Busy Operators
- ✓ Done-for-You: We build ads, emails, and websites
- ✓ Native Features: Seamlessly integrates with Square
- ✓ More Support: Less hassle, more results
